

# Snowfall Near Delhi - 7 Places to Visit in Himachal

By November, winters settle in most parts of the Himalayas like Himachal Pradesh, Uttarakhand, Ladakh, Kashmir, etc. However, the lower hills of Himachal, Uttarakhand, and Kashmir will still be connected and becomes the favorite spots for the lovers of Himalayas. Here's a list of 7 places which you can visit over 3-5 days in Himachal Pradesh.

1

## Manali - Solang Valley

The perfect place to play with snow or witness snowfall in winters in Himachal is Manali or Solang Valley due to its easy accessibility from Delhi or Chandigarh and highest probability for a longer duration of availability of snow. The snow points of Gulaba or Marhi have snow almost from mid of November up to late March, and then snow can be found even up to June at Rohtang Pass.

2

## Jalori Pass - Shoja

Jalori Pass or Shoja are pretty close to each other and have pretty good connectivity with Delhi from Mandi side all around the year. You can do a snow trek to Serloskar Lake to see it all frozen in winters. But, please plan it with some local or a guide and after taking the advice from locals in Shoja on its feasibility.

3

## Prashar Lake

Prashar lake near Mandi is another place with an overnight journey where you can find snow or snowfall near Delhi in Himachal in the winter months from December to March. In winters, when there is a lot of snow on the road, you need to consider parking your vehicle at the most practical point you find below near Baghi village or on the way and then start the snow hike to the Prashar Lake.

4

## Hatu Peak - Narkanda - Kufri - Shimla

Next on the list is Hatu Peak - Narkanda where you can enjoy snow or snowfall near Delhi in Himachal in the winter months of January and February or even mid-March at least at Hatu Peak. If you are lucky, you can also enjoy the snow in these winter months at Kufri - Shimla as well, especially around the new year window.

5

## Pabbar Valley (Kharapathar - Shelapani - Rohru - Chanshal)

Pabbar Valley is located about 120 odd km from Shimla where you can find snow near Delhi in the winter months at least towards Chanshal Pass. Pabbar Valley is an enchanting place, yet isolated from the tourist rush to an extent. It offers fantastic panoramic views along with nature walks/hikes in the dense orchards and forests along the valley.

6

## Triund near Mcleodganj

Triund, located at a 4 hrs hike from Dharamkot - Mcleod Ganj, Dharamshala, is another place where you can find snow. However, it might not be possible to reach the top of Triund in the winters unless you in for some real adventure. BUT, on the way to Triund from Mcleod Ganj, you will find plenty of snow to play with and come back to Mcleod Ganj for a good night's sleep.

7

## Khajjiar - Dalhousie

Khajjiar is commonly known as an Indian version of Switzerland. Khajjiar meadows in snow look so beautiful as if a white carpet has been laid by nature midst great pine trees kissed with snowfall over hills in the backdrop, a dream probably. It becomes almost hard to believe your eyes.
